Three prestigious certificates

In 2015 we extended our status of the oldest European Marathon by achieving certificates of **European Athletics 5 Star Quality Road Race** and **IAAF Bronze Road Race Label**.

One of the fastest

In 2015 we reached many great results on the perfect course which we established in 1997 originally for the IAAF World Halfmarathon Championship. The time of Samuel Kosgei, **2:07:07** became the 9th fastest European winner's time in 2015.
