

KOŠICE PEACE HALF MARATHON

Event postponed to May 15, 2021

All registered runners who paid starting fee received form in which they can choose in between shifting the starting fee to year 2021 or return starting fee and cancel the registration.

If you haven't received replied to such e-mail your registration was automatically shifted to next year.

If you are one of 300 runners who won their free start your registration will be automatically shifted to next year.

What to do when I want to shift start to next year?

New registration is not required. Your original registration will be shifted to next year with all the complementary products and services you have bought. You don't have to write us or confirm anything.

Can I shift my registration to different event?

No, such option is not available. You can choose either shift of registration to next year or canceling the registration and money return.

What to do when I want to ancel my registration and get my money back?

If you've chosen such option in the form your starting fee will by paid back to your account by the and of May 2020 and your registration will be canceled.

What to do in case I have ordered also complementary products and/or services (e.g. T-shirt)?

If you've chosen cancelation of registration and money return, we will pay back not only starting fee but all the money paid for complementary products and services as well.

If you've chosen to keep the registration and shift it to next year products and services that you paid will be part of your shifted registration in the next year with no change.
