What you need to pick up your Start number

- Start Acceptance – Each competitor who has met the conditions for participation in the event will receive this at their e-mail address. There is no need to print it; simply allow the code to be scanned from a mobile phone.
- Competitors under the age of 18 will show the Start Acceptance printed and signed by a legal representative!
- ID Card or Passport

Start number pick up by delegated person

The competitor can authorize another person to pick up his star number by filling in and sending the form that he can find in his runner account. (<https://registration.kosicemarathon.com>)

Without the said authorization, it is not possible to issue the start number to another person.

WHAT WILL THE PARTICIPANT GET AT THE START NUMBER PICK UP

- Start number, Chip
- An envelope with key instructions for the event
- Košice Peace Marathon 2026 Magazine
- If the competitor has ordered and paid for a premium T-shirt during the registration process, he will pick it up directly in the Kulturpark at the designated place

MARATHON WELCOME BAG 2026

The organizers and partners have prepared a package of services and benefits for runners, including free transportation, access to the Olympic Swimming Sports Centre, ticket to the ZOO, and several attractive discounts. For a detailed list and terms of use, please visit the website www.kosicemarathon.com/welcomebag.

INLINE		HANDBIKE	

WHAT DO YOU NEED AT THE START

- Start number - Competitors in the Inline and Handbike disciplines will receive a start number and a refundable chip. They place the start number visibly on the chest and the chip on the ankle using an integrated sticker.

- Fill in your health information and emergency contact phone number on the back of your start number!
- Without a start number the runner will not be allowed to enter the start sector and participate in the event.
- Any modification of the start number is forbidden.

STORAGE ROOM

A runner can store their most necessary things in the storage room, which will be open from 7:30 AM to 4:00 PM in the Kulturpark. Each competitor will receive a bag to store his/her belongings from the storage room operator.

WARM-UP ZONE

On the race day, from 8:00 AM, a warm-up zone is available for inline competitors on Štúrova street near Hilton hotel, in a different area than for running disciplines (see map below). In this zone, there are mobile toilets serving competitors before the start.

MEETING POINT / START SECTORS / ENTRY TO THE START AREA

The start line is located at Hlavná street near the Doubletree by Hilton hotel.

For competitors of this discipline the meeting point is located in the Start / Finish zone, with an entrance from the east side of Námestie Osloboditeľov (see map).

Entry to the start sector is only possible with a valid start number for the given discipline.

The start sector will be open in reasonable time, no later than 30 minutes before the start of the given discipline.

In the start sector itself, corridors will be created marked according to individual intervals of start numbers. Only enter the corridor that matches your start number.

The start of Inline & Handbike is set at 8:45 AM.

Follow the instructions and guidelines of the organizers.

For safety reasons, the sharp start of this discipline will take place at the end of Hlavná street, on Košice Peace Marathon square, on the instructions of the appointed referee, or competitor at the head of the starting field.

REFRESHMENTS

Refreshment stations:

At every 5th km – water and energy drink in cups. Bananas, sugar, salt, biscuits and protein bars will be available on the last tables of such a station, behind them is another table with water.

Sponging stations:

Between the refreshment stations with only water in cups available.

Warning:

- If you have individual needs, such as energy gels or bars, please take your own refreshments with you!
- Dispose of empty cups and bottles off the track or directly into the containers behind each refreshment station. Do not throw cups and bottles on the track under your feet! This may cause injuries to the runners behind you!
- At the refreshment stations, follow the basic rules and do not restrict other runners by sudden, unexpected stops at the tables. If you need to stop, do so carefully and in a place where you will not endanger anyone.
- Due to the spatial conditions, refreshment stations are one-sided, always on the right-hand side of the competitor. The exception is the station at the 5th kilometre, which is two-sided due to the expected rush of runners, with tables on the right and left side.

MEDICAL CARE

Medical assistance will be provided at stationary workplaces located in the start and finish area and on the course near refreshment stations. REMEMBER TO FILL IN YOUR HEALTH INDICATIONS AND EMERGENCY CONTACT PHONE ON THE BACK OF THE START NUMBER. This data will be used exclusively for the need of medical and emergency services during the race.

If it is necessary to provide medical assistance to you or another runner, you have a phone with you and there is no organizing service nearby, call the number 155. The operator must be informed of the number of the competitor who needs help and his location on the track (approximate kilometre tracks). Choose this procedure only in serious cases.

TOILETS

Portable toilets will be situated at the warmup zone and at the Košice Peace Marathon course behind the refreshment stations (for marathon runners, also available on the second lap). You can find the toilets before the start in the places as described in the paragraphs above.

COURSE - INLINE / HANDBIKE

The Inline and Handbike course consists of one lap with the Start and Finish in front of the Doubletree by Hilton hotel. The finish line for Inline and Handbike is located to the Peace Marathon Square.

The course is 20 km long and fully identical with the Marathon course. Direction changes are indicated with directional signs, tapes and fences. Every kilometre will be marked on the asphalt and vertical panels.

See the course map at the end of these instructions and at the Kosice Peace Marathon website ([Course map - Inline, Handbike](#)).

REACHING THE FINISH LINE

The finish line for the Inline and Handbike disciplines is located at the 20th kilometre of the course, at the Peace Marathon Square.

Every participant who crosses the finish line must immediately proceed along Hlavná Street for about 1 km to the finish service area, which is located at the starting point. This transfer must be done at a slow pace and without overtaking, so that athletes arrive at the finish service (for moderators and photographers) in the same order as they finished the race. There he/she will pick up the medal and refreshments, returns the chip and continue without delay out of the finish service zone.
