Bananas, sugar, salt, biscuits and protein bars will be available on the last tables of such a station.

Sponging stations:

Warning: Dispose of empty cups and bottles off the track or directly into the containers behind each refreshment station. Do not throw cups and bottles on the track under your feet! This may cause injuries to the runners behind you!

At the refreshment stations, follow the basic rules and do not restrict other runners by sudden, unexpected stops at the tables. If you need to stop, do so carefully and in a place where you will not endanger anyone.

Due to the spatial conditions, refreshment stations are one-sided, always on the right hand side of the competitor. The exception is the station at the 5th and 26th kilometers, which is two-sided due to the expected rush of runners, with tables on the right and left side.
